### C V Raman International Fellowship for African Researchers

The Department of Science & Technology (DST) and Ministry of External Affairs (MEA), Government of India through the Federation of Indian Chambers of Commerce & Industry (FICCI), have launched the prestigious C V Raman International Fellowship programme for African Researchers in 2010 to provide them opportunity to conduct collaborative research with leading research groups in Indian universities and R&D institutions in areas of Science & Technology. A call for applications under **CV Raman Fellowship** program was advertised in June 2016. In total 600(approx.) applications from various countries of Africa were received against the Call for which last date was Sept 30, 2016. Based on scientific merit, number of slots for the country, compatibility of the research work with the host institute, Department of Science & Technology has awarded this prestigious '**C. V. Raman International Fellowship for African Researchers**' to following 109 candidates under **phase-I**. Very soon **phase –II** list of candidates will be announced through the program website. These 109 selected candidates are being informed separately to complete administrative formalities to avail this award.
